

NEWS TO PUBLIC FORUM ARE RECORDED

Minutes of Columbus and Real Estate Board Accept Membership and Name Delegates.

Two more civic and fraternal organizations have taken out memberships in the Rock Island Chamber of Commerce and will be represented in the public forum. The latest additions to the membership in the forum are the Knights of Columbus, who have elected Roosevelt Applegate as their delegate to the body and the Rock Island Real Estate exchange has elected T. B. Reidy as their delegate. The public forum now has representation from the Rotary club, B. P. O. E., the Kiwanis club, Independence camp, M. W. A., the Odd Fellows, American Society of Engineers, Knights of Columbus and Real Estate exchange. Arrangements are being made to organize the public forum within the next few days and a chairman for the body elected. It is the public forum which will initiate the various matters the Chamber of Commerce will attempt to carry out during the 3-year period. Matters affecting public policy will be submitted to a referendum of the various organizations making up the forum before recommendations are made to the board of directors for action. The membership campaign is progressing favorably and final reports will be made at a luncheon meeting tomorrow noon at the Chamber of Commerce rooms.
